

BALISTRERI WINE CLUB

July 2009
Wine of the Month

2007 Colorado Cabernet Sauvignon
(Denver Vineyard) \$24

This new 07 "Denver Cab" was produced with grapes grown right down the street from the winery in our Denver Vineyard. It's definitely a challenge growing Cabernet Sauvignon here in the mile high city, so when we get to harvest enough to make a few barrels it's a real treat, and quite a rare commodity. There were only 50 cases produced of this rustic "Denver Cab". Our Denver Vineyard tends to produce "old world" flavors with distinctively rustic characteristics. This 07 has pleasant spice and strawberry aromas that lead you into the layers of earthy flavors that range from truffles and wet wood to leather and green peppers, all accented with tart strawberries. The finish is dry and satisfying with hints of earth that linger waiting for the next sip. Open a bottle and enjoy this Denver treat with whatever you're serving!
