**March 2010**

**Wine of the Month**

## **2008 Colorado Cabernet Sauvignon (Whitewater Hill Vineyard)**

Just released, this 2008 Cab Sauv is truly a fruit forward wine. Fresh, enticing aromas seem to jump out of the glass as you pour this young Cab. The color is a deep burgundy, rimmed with a brilliant magenta edge. The first sip is a burst of berry flavors that expand across your palate. Look for red raspberry, blackberry, hints of blueberry, and then subtle spice and currants that linger with the young, puckery tannins. Experience this young Cabernet Sauvignon now while the fruitiness explodes in your mouth, and definitely cellar a few bottles to enjoy as this wine matures and gains depth.

**Enjoy!**
